NOTICE INVITING EXPRESSIONS OF INTEREST

CALL FOR EXPRESSIONS OF INTEREST FOR THE APPOINTMENT OF THE TECHNICAL COMMISSION AND TEST JURY REQUIRED FOR THE CTT SAFETY TEST (PFC-S) UNDER DELEGATED REGULATION (EU) 2019/907 OF 14 MARCH 2019, AS AMENDED

THE PRESIDENT OF THE REGIONAL COLLEGE OF SKI INSTRUCTORS OF BASILICATA

HAVING REGARD TO Article 2 of Delegated Regulation (EU) 2019/907, as amended, which lays down the content of the Common Training Test (CTT) and the conditions to be fulfilled both for participation in and for passing the CTT;

CONSIDERING Article 8 of Regulation (EU) 2019/907, as amended by Commission Delegated Regulation (EU) 2023/865 of 23 February 2023, whereby "ski instructors who have successfully passed the aforementioned CTT or who enjoy acquired rights pursuant to Article 7 of Delegated Regulation (EU) 2019/907 shall be issued with a certificate of competency by a competent entity in a Member State, through the Internal Market Information System (IMI) established by Regulation (EU) No 1024/2012";

TAKING INTO ACCOUNT that, as indicated in Annex I to the Regulation in question and recalled in recital 8 of Delegated Regulation (EU) 2023/865 of 23 February 2023, in Italy the Regions and the Autonomous Provinces of Trento and Bolzano have exclusive competence to award the qualification of "ski instructor" and may delegate that competence to the other Italian entities listed in Annex I to that Regulation;

TAKING INTO ACCOUNT that the Common Training Test is a standardised aptitude test available across participating Member States and reserved for holders of specific professional qualifications. In accordance with Article 49b(1) of Directive 2005/36/EC, passing that test in one Member State entitles the holder of a particular professional qualification to pursue the profession in the host Member State under the same conditions as holders of professional qualifications acquired in that Member State;

WHEREAS, pursuant to Article 6(2) of Law No 81 of 8 March 1991, courses leading to qualification to practise as a ski instructor are organised by the Regions, in cooperation with the regional and provincial Colleges and the technical bodies of the Italian Winter Sports Federation, in accordance with the arrangements laid down by regional legislation;

CONSIDERING that Regional Government Resolution No 765 of 13 December 2024, Resolution No 202400765, approved the draft agreement between the Basilicata Region and the Regional College of Ski Instructors of Basilicata for the organisation and delivery of the common tests for access to the profession of ski instructor and the appointment of the relevant Technical Commission and Test Jury, within the framework established by Delegated Regulation (EU) 2019/907 of 14 March 2019, as amended;

NOTING that, pursuant to points 1.1.4, 2.1.3 and 2.1.4 of Annex II to the aforementioned Delegated Regulation (EU) 2019/907, as amended, the test juries are appointed by the organising Member State or, where appropriate, the competent entity on the basis of their competence and professional experience in the sector, and that the organising Member State or competent entity may delegate that power of appointment to third parties;

TAKING INTO ACCOUNT that point 2.1.3 of Annex II to Regulation (EU) 2019/907 provides that: "The technical commission shall be composed of qualified citizens from any Member State and shall represent at least three Member States. They shall be appointed by the organising Member State or competent entity, as appropriate, based on their competence and professional experience in the sector. The organising Member State or competent entity shall communicate the dates of the safety test to the Commission and to the other Member States or competent entities at least two months in advance.";

TAKING INTO ACCOUNT that point 2.1.4 of Annex II to Regulation (EU) 2019/907 provides that: "The test juries shall supervise and ensure the correct implementation of the safety test. Membership of the test juries for the safety test shall be open to qualified citizens from any Member State. Only those citizens who have either passed the safety test before the entry into force of this Regulation or who have passed the CTT shall be considered eligible for appointment to a test jury in order to assess the modules of the safety test.";

TAKING INTO ACCOUNT that the Regional College of Ski Instructors of Basilicata intends to issue a notice inviting expressions of interest with a view to drawing up a list for the appointment of the Technical Commission and Test Jury for the safety component of the Common Training Test, as defined in points 2.1.3 and 2.1.4 of Annex II to Delegated Regulation (EU) 2019/907 of 14 March 2019, as amended;
